## WORK EXPERIENCE

---

### **FREELANCE | DESIGN CONSULTANT** August '14 - August '17

- Worked with 30+ startups and small businesses in the past 3 years to solve design challenges.
- Diverse experience in product, interface, user experience, branding, graphics and print design.
- Advocated for design thinking as a 'design team of one' at most organisations I worked with.

### **ZOMATO | PRODUCT DESIGN INTERN** December '16 - January '17

- Streamlined data collection process using field research and inputs from collections and engineering teams.
- Redesigned internal app used to collect data from restaurants using Zomato's design system in Sketch.
- Created Invision prototypes and conducted usability testing.
- Worked on designing an iMessage sticker pack for the Zomato iOS app.

### **INDIAN PRIME MINISTER'S OFFICE APP | LEAD DESIGNER** June '15 - August '17

- Part of a team of 6 students that won an app design and development contest organised by Google and the Government of India.
- Worked with the PMO, Google design and engineering mentors to build the first official app for the Indian Prime Minister's Office.
- Designed for a target audience of every Indian - support for 10 languages, optimisation for old devices and slow connections.
- Worked on maintenance and updates for 1 year, the app currently has a 4.6 rating on Google Play and 400,000+ users.

### **HACKINDIA | LEAD DESIGNER** April '15 - July '15

- Helped to organise one of India's first large scale hackathons organised for and by students.
- Designed the branding, which included the logo, social media posts, mascots, t-shirts, posters, standees, name tags.
- Created an information campaign aimed at promoting awareness about hackathons and getting more girls to sign up.

### **SURGGE | PRODUCT DESIGN INTERN** June '14 - August '14

- Worked on early stage brainstorming for a native marketing platform.
- Created mockups, worked with web development team to convert them into an MVP.

## SKILLS

---

- **UI/UX DESIGN:** Sketch for mockups, Zeplin for handoffs, Principle for prototyping interactions, Invision for rapid prototyping.
- **GRAPHIC DESIGN:** Illustrator and Photoshop for illustrations and graphics.
- **MOTION DESIGN:** After Effects for motion design.
- **WEB DESIGN:** HTML, CSS, SCSS, Javascript.
- **DEVELOPMENT:** C, C++, Java, version control with Git.

## EDUCATION

---

### ▪ **MAHARAJA AGRASEN INSTITUTE OF TECHNOLOGY** '18

Pursuing a Bachelor's degree in Information Technology Engineering.

### ▪ **DELHI PUBLIC SCHOOL, R.K. PURAM** '14

Gold medalist, recipient of G. Bhaskar award for excellence in academics & curricular activities.

## MISCELLANEOUS

---

- **HH DESIGN** — Moderator for 15,000+ member design community on Facebook.
- **DRIBBBLE MEETUP** — Organised a meetup for designers in New Delhi. Created an online community called Delhi Designers.
- **FAUX** — First prize at Design 360 (March '17) IIIT Delhi's bi-annual design hackathon for designing Faux, a fake news detection app.
- **PAISA.TECH** — Runners up at Design 360 (August '17) for designing Paisa.tech, an Internet Banking system with a focus on UX.
- **LETTUCE PARTY** — Designed an open-source handwritten display typeface based on my handwriting.
